Man in Derby—Whaffo yo' putor the first to the bride-elect. In the post-office some a man's hat from the back of a chair and an overcoat from a peg near by and rushed out, slamming the door. Every-body who saw the performance stood still, dazed. Then, as we heard horses to hoofs clattering up the road distributed in the back of a chair and an overcoat from the back of a chair and an overcoat from a peg near by and rushed out, slamming the door. Every-body who saw the performance stood still, dazed. Then, as we heard horses and the back of a chair and an overcoat from a peg near by and rushed out, slamming the door.
